MSWG-ASEAN CG AWARD 2020

Allianz Malaysia wins two excellence awards

KUALA LUMPUR: Allianz Malaysia Bhd has received the Excellence Award for Corporate Governance Disclosure and Industry Excellence Award for financial services at the MSWG-Asean CG Award 2020 organised by the Minority Shareholders Watch Group (MSWG).

A total of 851 public-listed companies, excluding companies listed on the LEAP Market and Practice Note 17 and Guidance Note 3 companies, were evaluated based on the Asean corporate governance scorecard.

The assessment was based on publicly available and accessible information in annual reports, corporate governance reports, and sustainability reports issued for the financial year ended between April 30, 2019 and March 31 last year.

Allianz Malaysia ranked sixth among the top 100 companies for corporate governance disclosure and third under the financial services sector.

“We are highly appreciative to be recognised by the MSWG. These awards are the cherry on top of the efforts put in last year.

“Nevertheless, it is equally important to continue to evolve and adapt to corporate governance demands as a company.

“The real work remains in staying committed to upholding the highest standards of integrity, ac-
