**One of the points of interest to be raised:**

**DRB-Hicom Bhd(EGM)**

Under the terms of the Concession Agreement as mentioned in MIDF Investment's comments on page 35 of the Circular, tariff rates are expected to be reviewed twice throughout the Concession Period. To-date, what is the status of the tariff rates revision?

**Berjaya Land Bhd (AGM)**

We noted from page 145 (Note 13) that a very significant portion of trade receivables was long past due and not impaired. The amounts past due from 91 to 365 days and more than 365 days were RM79.7 million and RM50.6 million respectively.

(a) Please explain why these amounts which were very long overdue were not impaired.

(b) Are the amounts supported by any security/collateral and what actions have been taken to recover the amounts?
