Key Audit Matter- Impairment of Trade Receivables (Page 41 of the Annual Report 2018)

Based on the impairment assessment, the Board recognised a cumulative allowance for impairment loss of RM10,691,910 in respect of the Group's and the Company's trade receivables as at reporting date.

What is the prospect of recoverability of the amount? What actions have been taken to collect the impaired trade receivables?

Top Glove Corporation Bhd (AGM/EGM)

As stated on page 52 of the Sustainability Statement of the AR 2018, the Group recorded higher incident and severity rate in FY18, to 3.82 cases per 1,000 employees (2017: 2.31 cases) and 21.29 per million hours (2017: 14.05) worked respectively.

i) What were the reasons for the increase in incident and severity rate?

ii) What are the measures taken to ensure a safer workplace for all employees?
